Fashion Notes.

Fur collars are little worn by ladies this season, and this will give rise to many severe coughs and colds. Dr. Bull's Cough Syrup is a certain and safe cure in every case. Price 25c.

The cures effected by Medicated Honey are truly wonderful. The lives of children are saved, health restored to the fading invalid. Ministers of the Gospel and public singers are entirely relieved from that distressing irritation of the throat, and speaking and singing become easy. Try it. Druggists sell it.

"Music that on the spirit soothes like heaven's music."—Babbitt's Toilet Soap on the skin. It is never so delicate and tender. Hence the expressive title. This toilet soap combines every requisite—purity, cleansing power, and fragrance in an unequalled degree.

The Reason Why.

Not being able to compete in merit, many of the Sewing Machine Companies are making great concessions in the way of selling machines at a discount, giving large prices for old machines in exchange, and immense commissions to agents. The Automatic Machine is sold purely on its merits, and not by making the above concessions. Those who have tested it say they would not have any other machine at any price. The Company's office is located at 171 West Fourth street.

ROBACH'S PILLS are becoming more and more popular every day, and if speedily payment is not resumed within a few years, they will doubtless be made a legal tender. They pass readily now for twenty-five cents.
